Organising a wedding can be a minefield of questions, below we have listed common questions, together with some answers that will help you plan your day

How far in advance should I book our wedding?

As early as possible to secure the venue of your choice and avoid disappointment.

What about flowers on the day?

You can either provide your own or we can arrange this for you in line with your chosen colouring.

Where should the photographs be taken?

At a church wedding, traditionally the photographs are taken straight after the ceremony. However, you may decide to have them taken prior to the reception and we will be more than happy for you to use our grounds.

Do you need to know an exact number of guests?

Yes, as this will ensure we cater for your guests adequately and also as there are legal limits to the number of people we are allowed to accommodate on our premises.

How much should we budget for food and drink?

We endeavour to meet most budgets - once we know the number of guests attending, we will be able to discuss your menu in more detail.

We are committed to making this a day to remember and staff are always on hand to make certain everything runs according to plan.
